What is this type of insurance?

If your Audi is damaged in an accident, it will be repaired in an Audi approved repairer, by Audi trained technicians who will only use genuine Audi parts and paints, and if this costs any more, we'll pay. We will also provide you with legal expenses cover to pay the legal costs and expenses of any legal proceedings to recover uninsured losses caused as a result of any road accident which results in: – loss or damage to your vehicle, loss or damage to any personal property owned by you whilst the property is in/or attached to your vehicle, death or injury to you whilst getting into or out of the vehicle.

What is insured?

- ✓ Should your insurer not agree to pay the cost of an Audi Approved Repairer we will pay up to £2,500 of the difference between the cost of the Audi Approved Repair and the amount that your insurer would be happy to pay.
- ✓ Up to £50,000 of legal expenses cover for any claims arising out of a road traffic accident.

What is not insured?

- ✗ We will not provide cover if you do not have a comprehensive motor insurance policy in force at the time of the damage or loss to your vehicle. Your motor insurance policy must provide cover for the damage or loss that has occurred.
- ✗ We will not pay the legal costs and expenses of legal proceedings to recover your uninsured losses or costs if we consider that you will not get a reasonable settlement or if any expected settlement is small compared to the time and expense involved. Your claim must have a reasonable chance of success and by this we mean 50% or more.
- ✗ We will not cover any claim where we are not informed about the incident first and as soon as reasonably possible after the date of loss.
- ✗ The policy does not cover any excess you may have to pay towards any claim made on your motor insurance policy.
- ✗ The policy does not cover any claims caused by or resulting from infectious or contagious disease.

Are there any restrictions on cover?

- ! We will not cover any claim where we are not informed about the incident first and as soon as reasonably possible after the date of loss.
- ! The Audi Insurance cover must be activated prior to an incident occurring.
